The POWERplus® Nighthawk Ultra Bright Dynamo LED FLASHLIGHT/POWERBANK

Enjoy the freedom of mobile light and energy everywhere you go.

POWERplus® introduces the Nighthawk, the flashlight/charger with the latest LED-technology.

The flashlight combines traditional LED's with the power of a new generation 0,5W LED, for producing a powerfull beam of light.

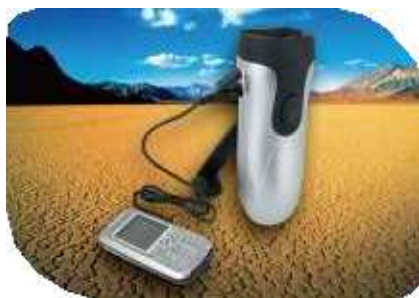

The Nighthawk comes standard with a Nokia cable to charge your mobile phone by using dynamo power. Adapters tips for other brand mobile phones are available on www.powerplusadapter.com
