# POWERplus® Piranha

## DYNAMO SHAVER

Enjoy the freedom of shaving anytime, anywhere without a power supply.

POWERplus® introduces the Piranha, a dynamo shaver with two flexible powerful changeable shaving heads.

No more dead batteries during shaving: just wind up and the dynamo will generate energy for the internal battery of the Piranha to shave again.

Besides dynamo charging you can of course also charge by AC-charger.

Experience the new shaving sensation with the POWERplus® Piranha

Integrated trimmer

Replaceable quality shaving heads

Power/charging indicators
